## **ICHOR ANNOUNCES ITS MEMBERSHIP IN THE RESPONSIBLE BUSINESS ALLIANCE (RBA)**

Ichor Systems is proud to announce its membership in the Responsible Business Alliance (RBA). We at Ichor, are committed to working collaboratively with other members of the RBA to promote responsible business practices and to drive sustainable value for workers, the environment and business throughout the global supply chain.

The RBA is a coalition of companies that share a common vision and mission. Together, members, suppliers, and stakeholders collaborate to improve working and environmental conditions and business performance through leading standards and practices. Ichor fully supports this collective approach and believes that by working together, we can achieve our mutual goals more effectively.

As a member of the RBA, Ichor is committed to complying with the RBA Code of Conduct in our own operations, and we will continuously strive to improve our performance. We also pledge to encourage and support our supply base to do the same.

We are excited to join the RBA community and look forward to working together towards a more sustainable and responsible global supply chain.
